Marineland Featuring 'Vaqueros'
Bringing to the Palos Verdes peninsula one of Mexico's most famous Mariachi bands, Marineland Restaurant is currently presenting The Vaqueros from Guadalajara for a special three-week engagement in the cliff-side dining establishment. The eight-man group was signed by owner George M. Foster to entertain through April 28.
The brilliantly cosumed musicians, with their show-stopping repertoire of south-of-the-border rhythms and surprise Latin songs, this week opened in the "Porpoise Room," playing nightly except Mondays for the cocktail-dinner crowd.
Foster is headlining The Vaqueros as a change of musical pace from the Dixieland and tuncel comedy usually featured at his Marineland Restaurant. Mariachi music, truly native of Old Mexico, is traditionally spirited, carefree and pulsating with the gaiety of the fiesta.
Reservations in the "Porpoise Room," advises general manager Berk MacFrerson and Foster, are always suggested on the weekends.

Chairman Recalling Armed Forces Day Trophies for Display in May

The trophy committee chairman for the fourth annual Torrance Armed Forces Day Parade May 18 is busy recalling the rotating trophies from last year.
The trophy chairman, Orin P. Johnson, said today that the trophies are being retrieved the same as every year so they can be put on display starting May 1 in the Torrance city hall, 3031 Torrance Blvd.
In addition to the regular trophy display, Johnson said there would be several more parade trophies to be awarded this year than in the years previous.
This is the second year for Johnson as the trophy committee head since he became the Torrance assistant city manager in February 1962. He is planning on a new and faster system in judging and checking entrants this year, he said. He will announce the system later when it gets approval from the parade chiefs.

MEANWHILE, the parade's general chairman, Fred Rathert of Ryan Aeronautical Co., said the choice of Johnson as trophy chairman is proving as gratifying this year as last.
"With the addition of several trophies over years before, the interest of competition should be greater by the participating units," he said.
Johnson is no stranger to the Torrance area. He has had a total of 25 years here in the aircraft industry before going to the city manager's office.
BORN IN Arkansas, he came to Southern California in 1938. He was employed at the Douglas Aircraft Co.'s El Segundo division and Northrop Corp. as

operations analyst and a general supervisor of facilities control.
Johnson has made his home at 4016 W. 165th St. for the past 12 years.

BENEFIT BREAKFAST . . . Mayor Albert Isen gets his ticket to the Torrance American Little League breakfast scheduled for Saturday April 20 from Dale Schindler, 12. The event will be from 8 through 11 a.m. at Certi-Bond, 501 Arlington Ave. (Herald Photo)

Know Your Traffic Laws

Prepared in cooperation with the Traffic Education Bureau of the Torrance Police Department
According to officials of the National Safety Council at a recent meeting in Torrance, 41,000 persons lost their lives in traffic accidents last year and that if the present trends continue, an estimated 81,000 lives will be lost in 1975 as a result of traffic accidents.
So far this year, statistics from the Los Angeles area show accidents are running higher this year over last. Not to be forgotten are the increased number of persons killed and injured.
AS A DRIVER or pedestrian you perhaps feel that traffic accidents can't be avoided with so many cars on our streets and highway and particularly in an area that is growing so rapidly as our own city.
Maybe you are a person who feels this increase is a police problem that you as an individual have no control over. The Torrance Police Dept. joins the Torrance Traffic Safety Council in urging you to not be lulled into thinking traffic accidents can't be avoided and to make it your own individual concern.
OFFERED FOR your consideration are a few simple rules that, when followed, will help you from becoming a traffic statistic. Those who work in the field of accident prevention and reduction are not mystified, but know that most traffic accidents are caused by people ignoring simple traffic laws.
There is no such thing as a minor traffic violation and those killed as pedestrians are just as dead as those drivers who lose their lives.
1. Support and demand stern but fair enforcement of all traffic laws.
2. Obey all speed laws and reduce speed when conditions warrant a decrease.
3. Obey all traffic signs and signals.
4. Share the road with fellow drivers and be willing to yield the right of way.
5. Remember that traffic

Transport Chief Named For Parade

Henry C. Rice of the White and Day South Bay Funeral Chapels has been named chairman of the Transportation committee for the fourth annual Torrance Armed Services Day. The appointment was announced this week by general chairman Fred Rathert.
Rice, a veteran of three years army service, served in Greece, Turkey and the Middle East from 1956 to 1959.
He is presently secretary of the Torrance Junior Chamber of Commerce.

Jerry L. Velek, son of Mr. and Mrs. Frank Velek of 714 Border, completed nine weeks of basic recruit training at the Naval Training Center, San Diego, and graduated April 5.
